## Assembly Steps

### OVERVIEW

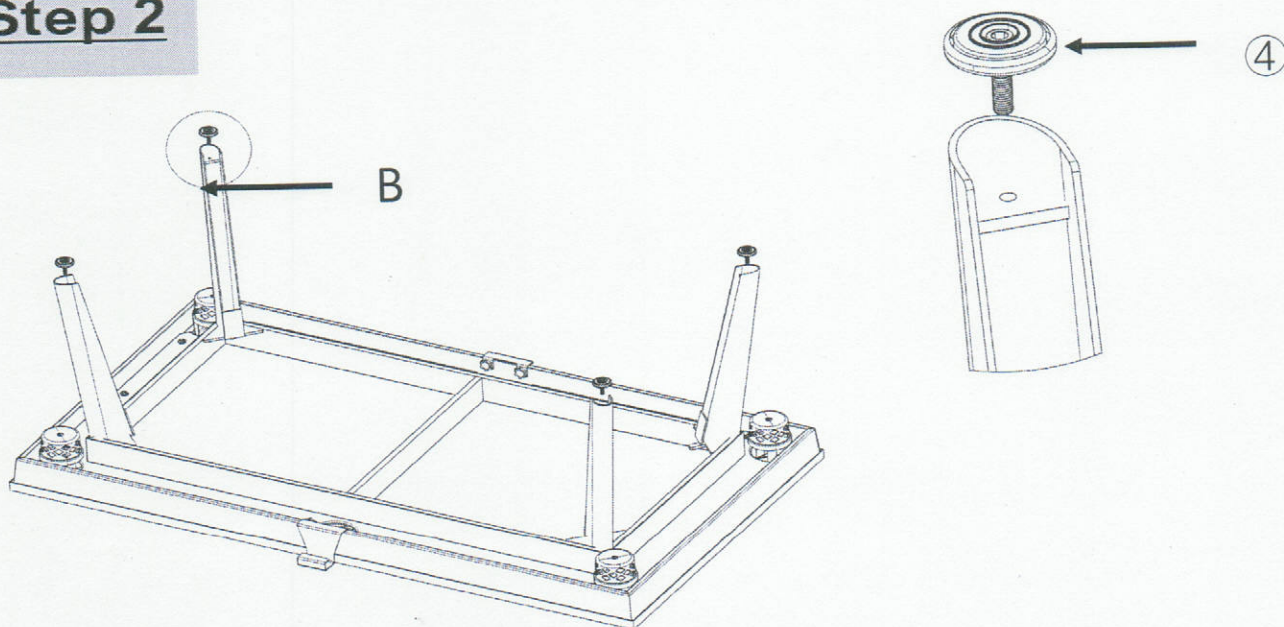

This product has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the parts, above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarize

## Step 1

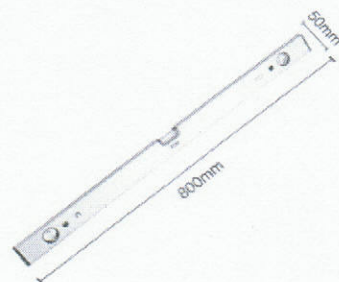

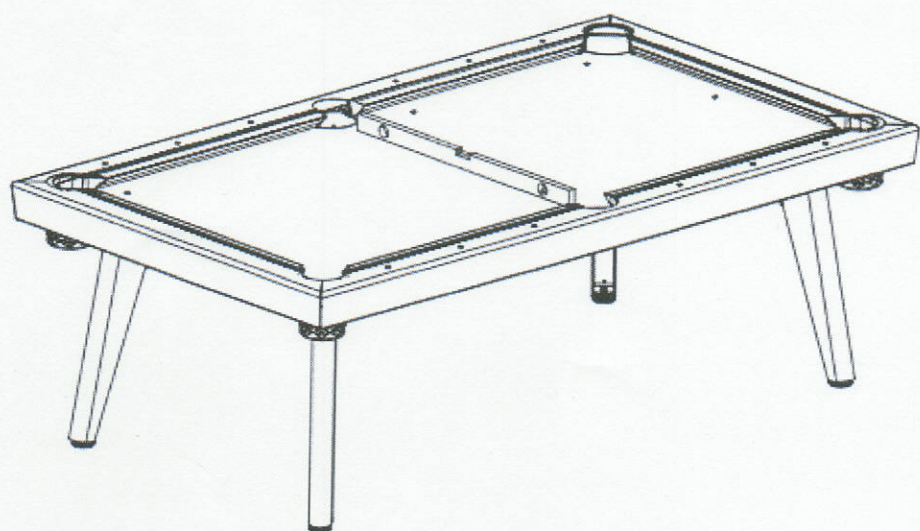

Place the Table upside down (A) onto a clean, non-marring surface. (Note: Be careful as any sharp and hard object may damage the surface of the product.) Attach the Table Legs (B) the Table Reverse Side (A) as pictured, using Screws (①), Washer (②) and Spanner (⑤) until they are very tight together.

## Step 2

Place the Adjustable foot levelers (④) with the Table Legs (B). Note: If the floor is not flat, the table will be easily shaking after installation or the balls could not roll properly. If in this case, please adjust the foot levelers (④) until the playfield is in level status.

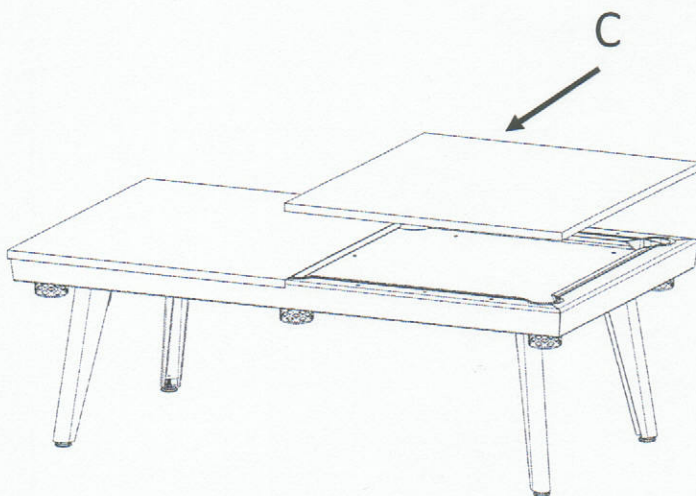

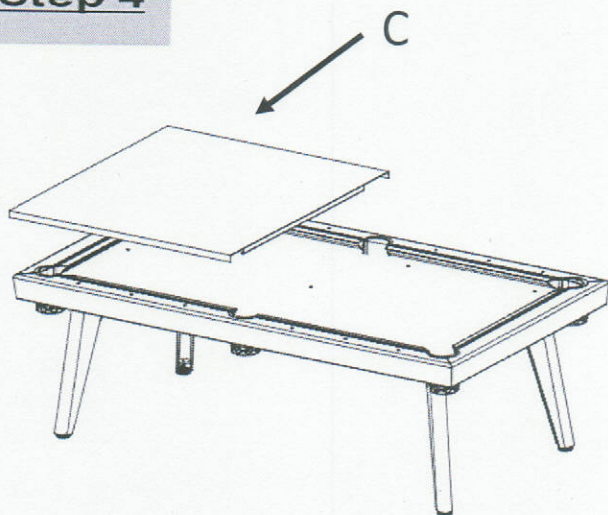

### Step 3

Use the included Bubble Level to ensure the table is well balanced and even.

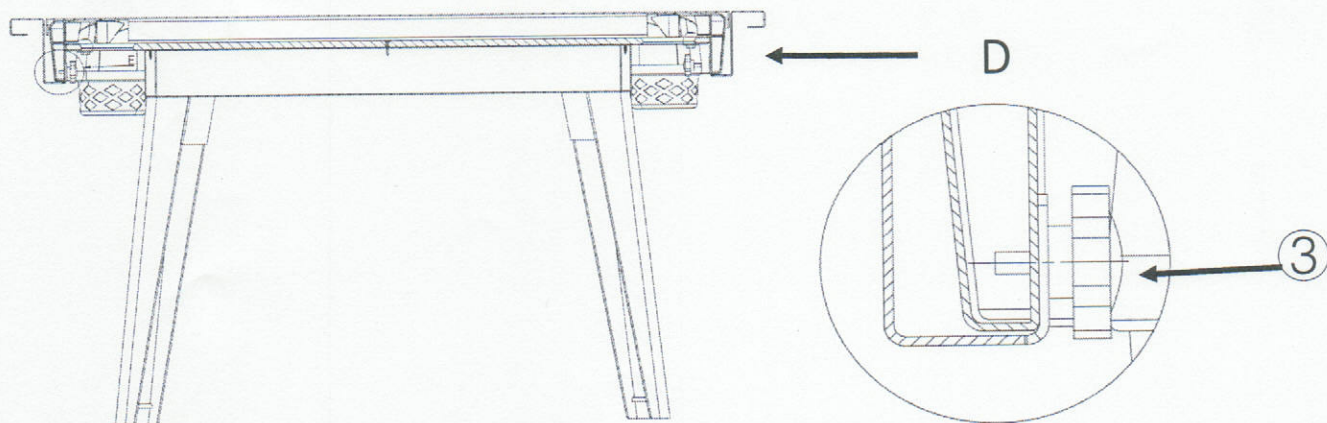

Note: If the floor is not flat, the table will be easily wobble after installation or the balls will not roll properly. If this occurs, please adjust the foot leveler ( ④ ) until the playfield is leveled.

### Step 4

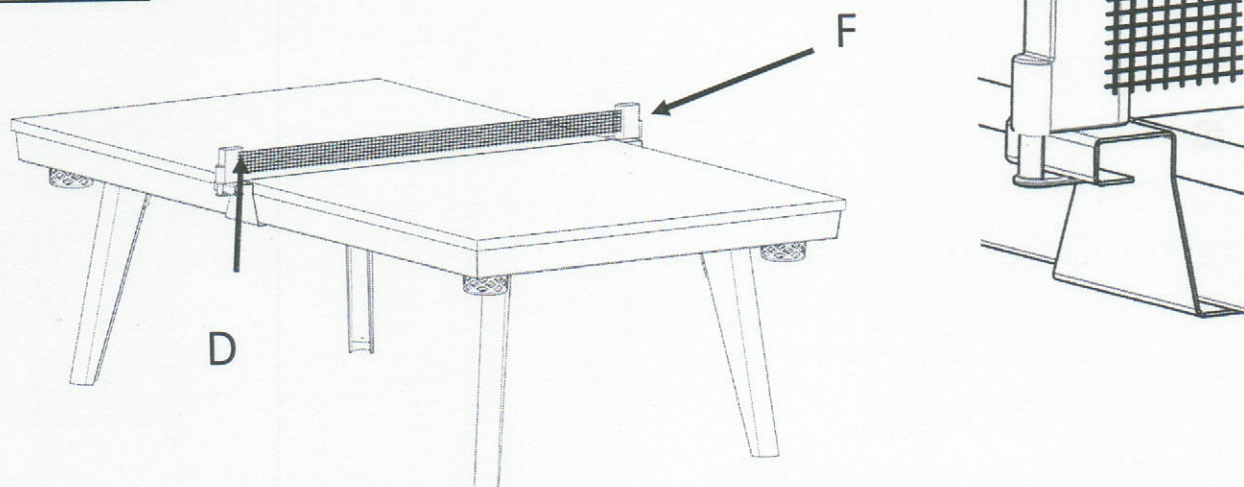

Put the Table Top (C) over the Table (A)

## Step 5

Place the Clamp ( D ) with the Table ( A ) and Table Top ( C ), using Screws ( ③ ).

## Step 6

Place the Table Tennis Net ( F ) with the Clamp ( D ) .

Note: If you want to replace the cloth when it turns old, please contact the professional pool table installers and use the waterproof billiard cloth.
